DESIGN YOUR OWN, IT'S EASY

Our modular furniture system is designed to adapt to the shape of your home. From just six core shapes, an endless number of configurations can be achieved, meaning the only limit is your imagination.

Our modules can be bought separately, or combined together to create a unique configuration. Look out for the **MODULE** label in our brochure or online.

How it works

Want to create your perfect Nook?
Follow this simple guide to get started.

- 1** Choose a shape
Create a bespoke layout using our modular design system, or select from our popular configurations. Make sure you following our handy **Measuring Up** guide online.
- 2** Choose your style
Time to get creative! With 18 colours across 4 fabrics, 3 upholstery finishes, and 3 plinth options, there's something for everyone. Use our **Sample Ordering** service to check out the fabrics before you buy.
- 3** We'll craft your Nook
When we receive your order, we'll get to work lovingly crafting your custom Nook. Our skilled upholsterers will build your booth in our Yorkshire-based factory, making sure every last stitch is perfect. No Nook leaves the factory until it's passed our rigorous quality checks.
- 4** We'll deliver your Nook
Choose from our standard free delivery service, or upgrade to our premium white glove delivery experience. Our expert couriers are even trained to assemble your Nook at no extra charge.

CLEVER LITTLE NOOK

Our Nooks don't just look great, they're designed to work seamlessly with the rest of your kitchen furniture too.

Take the backrest – it's the same height as your countertop, so you can integrate a bench into your kitchen island for the ultimate luxe feel.

Or what about tables? Nooks are designed to work perfectly with the most popular table sizes. We've even got a handy Table Size Guide online to help you choose.
